DOCKET NO. 2018-95-T - ORDER NO. 2018-354

JUNE 5, 2018

IN RE: Application of Kelly Moving, Inc. to Amend) ORDER AMENDING
Tariff) TARIFF

This matter comes before the Public Service Commission of South Carolina ("Commission") on the Application of Kelly Moving, Inc. ("Kelly Moving," "Applicant" or "Company") to amend the Company's current tariff. Kelly Moving presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina pursuant to the authority granted by this Commission.¹

Upon receipt of the Application, the Commission's Clerk's Office instructed Kelly Moving, Inc. to publish, one time, a Notice of Filing in newspapers of general circulation in the affected areas of the state. The purpose of the Notice of Filing was to inform interested parties of the Company's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or petitions to intervene were received.

By its Application Kelly Moving seeks approval to amend certain rates and to make various changes to other charges and terms and conditions of the Company's current tariff.

¹ See Commission Order No. 2003-59259 issued in Docket No. 2003-199-T.

The South Carolina Office of Regulatory Staff (ORS) completed a review of the proposed tariff and submitted its findings to the Commission on May 14, 2018. ORS's Impact Study revealed that Kelly Moving was in compliance with the Commission's rules and regulations at its compliance review on April 13, 2018. Furthermore, ORS advises that Kelly Moving is currently in compliance with all filing and reporting requirements, and no consumer complaints have been filed against the Company within the past twelve months.

Lastly, from the comparison report completed by ORS of the tariff modifications proposed by Kelly Moving to the South Carolina Tariff Bureau's (SCTB) rates, it appears that some of the rates are above the SCTB rates while others are below, where a comparison rate is available. Although certain of the proposed rates are above the SCTB rates, we note that no other parties have filed in opposition to the rates proposed by the Company.

Having considered the Application, the lack of opposition, and the results of the ORS impact study, we conclude that the amended tariff proposed by Kelly Moving is just and reasonable for the Company and its customers. Accordingly, the Company's Application to amend its current tariff should be approved.

IT IS THEREFORE ORDERED THAT:

1. The Application of Kelly Moving, Inc. to amend its tariff is approved, subject to compliance with all applicable statutes, rules, and regulations. The approved revised tariff is attached as Order Exhibit 1.
